

Community Meeting

Date: Sunday, May 31

Time: 2:00 – 4:00 p.m.

**Place: 431 Patterson Bridge Rd.
(Forest Service Office)**

An EPA Emergency Response Team has been working with the City of John Day and the State of Oregon investigate unusual odors in and around homes and commercial buildings along South Canyon Boulevard and SW Brent Street between SW 2nd Avenue and SW 6th Avenue.

EPA will update you on the continuing efforts to reduce your exposure to high levels of fumes. In addition, we will provide information on what we are doing to investigate potential sources of contamination and what we have learned so far.

Representatives from EPA, the City of John Day, Oregon DEQ, Oregon Health Authority and Grant County Health Department will be present.

**For meeting information call Judy Smith at: 503-545-2540
To report fumes, call John Day dispatch at 541-545-0030**
